

Daily Bible Reading Plan*

Divide the Bible into 3 sections: the New Testament, the Old Testament, and the Book of Psalms. Read one chapter a day in each section, starting on Day 1 with Matthew 1, Genesis 1, and Psalm 1, allowing them to settle in your mind as part of your regular devotional time; then advance one chapter in each section every day. When you reach the end of a section, go back to the beginning of it again. You'll cover the Old Testament in 26 months, during which time you will have read through the New Testament three times and the Book of Psalms five times!
